NEW MEXICO-BASED GLOBAL CONSULTANCY  
STRATEGEX BUSINESS SOLUTIONS INC.

Join us for this year-long strategic leadership journey designed to activate organizational excellence in the New Mexico workforce, strengthen professional integrity, build outstanding customer service skills, and assist you in successfully growing your organization.

*“This experience has been beyond amazing. It opened up a new life to what is possible.”*

2015 Participant

## What We Offer

Real-time application and experienced-based learning

Clear linkage between personal leadership development and organizational transformation

Best-practice leadership applications steeped in senior-level organizational experience

A diverse, world-class curriculum that teaches performance-driven problem-solving

## The Leadership Journey Will Teach You to:

- ✓ Embody leadership, align personal and organizational values
- ✓ Motivate and train rising leaders
- ✓ Implement management knowledge and practices
- ✓ Deliver exceptional customer service
- ✓ Develop and achieve organizational and personal goals
- ✓ Manage commitments, responsibilities, teams, and time

## What Does the Program Do?

*The Leadership Journey offers the rigor of an Outward Bound course, the academic excellence of a college-level major, and the collaborative experience of working with others while exploring the best organizational practices employed around the world today.*

*“This is one of the best sessions I have attended in my career.”*

## The Leadership Journey Lead Facilitators

**ROBYN McCULLOCH, MS, PCC** has cultivated enlightened and powerful leaders in communities and organizations over the past three decades. Her expertise in organizational transformation includes executive coaching, leadership presence, emotional competence and meeting facilitation. Robyn's skillful integration of embodied leadership practices, steeped in appreciative intelligence and interpersonal neurobiology, results in a unique approach to sustainable change by revitalizing teams, facilitating action-learning processes and mobilizing whole systems in participant-driven change. She has worked in Asia, Europe, Africa, and North, Central, and South America.

**ANDREW COX** is an experienced organizational change professional with 20 years of international consultancy and management expertise and a strong record of achievement in leading and managing strategy-led business performance improvement and implementing complex cross-functional global change initiatives. He has operated in Asia, Africa, Latin America, Europe, and North America, and has supported clients in radically improving their business performance through disciplined implementation of their strategies.

*“I'm inspired by the experience to initiate change and to use our newly formed support community.”*
